Shenandoah County Consumer Local Food Survey

Progress:

Purpose: Shenandoah Forum continually seeks ways to strengthen our local agricultural sector.

Your cooperation in completing this survey will help us gain a better sense of how important the availability of locally sourced food is within the Shenandoah County community, what the community's expectations are, and how we might strengthen the ties between consumers and producers to meet those expectations.

If you have any questions about this survey or our agricultural enhancement activities, please contact us by phone at 540.984.7003 or by email at info@shenandoahforum.org

Please encourage your friends and family to complete our survey.
